Dear Friends,

We want to take a moment to say thank you at this Christmas Season for your love toward us and your support of the work of the Lord in Argentina. We count it a privilege to serve Him and represent you in this great land. This past September 12<sup>th</sup>, we celebrated 20 years of serving in Argentina. We are so blessed and thankful to the Lord for allowing us to be a part of planting so many churches in the country as well as starting a New Church Planting Ministry for the National Church that encompasses the entire country of Argentina. We could never have dreamed that, but as we trust God, He can do things bigger than us! We couldn't have imaged how God would bless us with two great sons that are serving the Lord. Stephen is 21 years old and a senior at Valley Forge Christian College, PA and Christopher is 17 years old and a junior in High School here in Argentina. God is so awesome!

### New Church Planting Tour VISION 2010

We made it a goal at the end of last year to visit all of our new church planting pastors. There are now 36 National Church Planting Projects. We took advantage to visit churches along the way

to promote the importance of planting churches and how they can help the ministry. We traveled almost 10,000 miles throughout the country. We are also excited for the 60 Local Church Planting Projects that have been planted. We are praying and need your help to see 96 new churches planted this year to meet our goal of 384 new churches by 2010. It is a huge step, but we believe God to do it. The task is great, but we serve a GREAT God!

### Evangelism Team- Pirane, Formosa

In April, we received a team of 22, from Bellerose Assembly of God of Queens, New York, led by their pastor Dominick Cotignola. The team did ministry in several schools, door to door evangelism during the day and in the evenings they ministered in the services. The city mayor and secretary of the municipality came to our afternoon prayer and fasting meeting where we laid hands on them and prayed for them. God gave us a tremendous breakthrough in this city for the new church planting. In fact, on the last night there were over a 150 people present in the outdoor meeting. Many were saved, healed, and delivered. By the way, the church in Pirane is the third new church planting or daughter church from the Formosa church that we help to start 20 years ago!

### AIM Team- Las Flores, Buenos Aires

In August, we hosted the New Jersey District AIM team led by Fabian Kalapuch. This team of 20 worked to help establish a new church planting in Las Flores, Buenos Aires. It was so exciting to see the students in fervent prayer each day for God to do something. We saw several come to faith in Jesus for the first time and several came back to the Lord. We ministered in some nursing homes, on the streets, and did door to door ministry.

### Marriage Encounter for National Church Planting Pastors

We were thrilled to host our 4<sup>th</sup> Marriage Encounter in Cordoba. Each couple was encouraged by the ministry, fellowship and the special time spent together. It was great to see that several of the couples received their first "love letter" from their spouse! Amazing! It is truly

a blessing to establish these important relationships with ministry couples so that they can then strengthen others and affect the nation.

### Pionerito- Magazine for Children to help understand the need

In November, we launched a magazine for children. Its goal is to help the future generation learn more about Argentina and the need to reach out to the others in this great land. Our desire is to see the children join the "Club Pionerito," which commits them to praying 5 minutes a day, giving a \$1 Peso a month and believing that Argentina can be reached for Jesus! We were excited to see the response of the children as well as the church leaders. Thanks for praying for this project.

### Church/Center for New Church Planting Building

This year we closed on a property in northern Buenos Aires and are in the process of remodeling this former parking garage into a church sanctuary for 200 people as well building class rooms on the second floor for preparing future church planters.

**We need 50 churches/individuals that can help us with a one time offering of \$1000 to help us get this project up and running!** Please pray for this to be a reality real soon!

### New Church Planting and Evangelism

**Yours for the Harvest in Argentina,  
Rocco and Ellen DiTrollo**
