Telephone: (207) 773-2791 • E-mail: rocco.ditrollo@agmd.org • Website: www.ditrollo.org  
Offering Account # 2216414

Dear Friends,

Jesus said: "As you go, preach this message: 'The kingdom of heaven is near.' Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received, freely give."  
- Matthew 10:7-8

We can't believe it! In less than two months, we will be "going" back to Argentina for our 5th term of service in Argentina. We have had a wonderful year visiting many of the wonderful pastors, churches and friends that have made our ministry possible. We want to say "thank you for a great year!" For those that we have not been able to see we want to say thank as well for your faithful prayers and support. We hope to see you on a future visit 12 months just doesn't make it possible to get to visit over the 200 churches that are partnering with us. Please accept a heartfelt thank you!

Our prayer is to continue to see the Kingdom of Heaven established in Argentina through planting new churches. We are believing God to help us plant 384 new churches by the end of 2010. Please help us pray. We trust many of you will adopt one of these new church plantings. Jesus said "Freely you have received, freely give" our desire is to continue to give the bread of life to those in need and see the captive set free. We need you to stand with us till HE comes!

## Church Planting Tour in Argentina

Last September, I returned to Argentina for our annual tour to promote the need for planting churches in Argentina. Our speaker was Rev. Henry Ramaya Pillai, a Malaysian pastor that has been involved in the planting of almost 800 churches around the world. What a tremendous blessing. We held 12 meetings with Pastors, leaders and churches, traveling by land and air 5600 miles. During these 10 days, we visited 7 provinces and had over half of the 23 provinces and the Federal capital represented in these meetings. Over 5500 persons attended and representing over 125 churches. Our goal is to raise up 50,000 intercessors, and many new church planters. Over 500 people responded to the call to plant a church in the next several years in services.

## Annual School of Pioneers for New Church Planters Families

School of Pioneers- Buenos Aires

In February, I traveled back to Argentina for our 7th Annual School of Pioneers in Buenos Aires, Argentina. This is an opportunity for our new church planting families to receive teaching, specialized classes, and inspirational services. Our speaker this year was Rev. Emilio and Bethany Abreu, pastors of a growing 7000 member congregation in Paraguay. They along with other Pastors from Argentina brought timely words from the Lord to our church planting family. Over 120 pioneers, speakers and workers attended and 25 new church planting projects were represented. Just prior to the start of the School of Pioneers, we held a Retreat for our Mentors and National Representatives for the country. These are very important to the ongoing health of our new church planters and also the future growth of the ministry.

## Family Highlights from the year

In August 06, we sent our son Stephen off for his first year of study at Valley Forge Christian College in Pennsylvania. We are so happy to have been able to be in the states this part year with him even though we were 500 miles away it was better than 5000 miles.

In April 07, Christopher, a freshman at Greater Portland Christian School went on his first mission's trip to Guatemala, Central America with a group from his school. He was challenged by the needs in that country and we are believing great things for him. Both Stephen and Christopher have been on the honor roll. We are very proud of them! Ellen has continued her studies this year at the University of Maine towards a degree in Spanish translation. She is a diligent student!

Please pray for us as we head back to Argentina in a few short months.

- 1- Adjustment back to Argentina
- 2- Leaving Stephen in the states
- 3- New Church Planting Team and Families
- 4- Raise up workers for Argentina
- 5- Additional monthly support \$500

Thanks again for partnering with us to reach Argentina for Christ!

*May God's richest blessings be yours!*

*Yours for the Harvest in Argentina,  
Rocco and Ellen DiTrollo  
Stephen and Christopher*
